

## Get Involved...

Thanks to donors like you, Global Connections was able to raise funds over the past year to support the Limuru Children's Centre. And, thanks again to you; the LCC is able to provide food, care, and schooling to more than 300 kids. However, as the world food crisis has tripled the cost of food in Kenya and energy costs continue to rise, we need your help more than ever to continue to provide these kids a better future where they are one day able to care for themselves. Please help us continue to care for these kids and others by contributing for one or more of the items below. As always, 100% of your donation will go directly to help the kids or to the partner you choose to support. Though our administrative costs are ever increasing to address the needs of our international partners and facilitate interest in the U.S., GC does not take a percentage of your donation to help cover our administrative costs unless specifically designated. If you feel led to help cover our administrative costs, please do not hesitate to let us know below.

Please fill in the information below and mail this page to Global Connections at PO Box 9630 Columbus, MS 39705.

Thanks to all of you who help us continue to care for people in Kenya. Without your prayers and support these locals would not be experiencing the hope you have provided them.

### Please help us pay for the following:

More info about our partner programs below can be found on our website at [www.globalconnectionsonline.org](http://www.globalconnectionsonline.org)
